

BATTLE OF THE BOOKS INFORMATION FOR 2020-21

For many years the Greendale Elementary School Libraries have promoted this optional reading activity for our 4th and 5th level students. Wisconsin Educational Media and Technology Association's Battle of the Books program is "designed to promote a love of reading among students. It encourages students to read a variety of books and remember information about the plots, characters, and settings of the books." Every question asked in a battle takes the form: "In which book...?" and is answered by the title and author of the book. It is a fun, academic-based competition that has been very successful in school districts throughout the state in encouraging students to read.

In the fall, students will choose teams of four students who together will divide up the book list on the back of this page. They will then be responsible to read 5 titles before the end of January. Students are welcome to get a start reading from this list over the summer

These books are all available at the Greendale Public Library and through any library in the Milwaukee County Federated Library System.
