

## **A Night Divided**

**By Jennifer A. Nielsen**

**Review By: Carly Belter and Abby Brinkman**

A girl named Gerta woke up one day and there was a wall between the east and the west of Berlin. When Gerta woke up that morning, her brother, Dominic and her father were not there. Since Gerta's father and brother weren't there, Gerta now only has mom, and her other brother, Fritz.

Why did you like this book?

It was a really intense book because of the wall splitting up Gerta's family. Gerta had to find a way to reunite her family on the other side of the wall.

Why should someone read it?

It makes you feel what the character is experiencing. Also, it makes you fall off the edge of your seat!
