

## **Dead End in Norvelt**

**by Jack Gantos**

**Review by Laney E.**

**This book is about a boy, Jack, in a town named Norvelt (an actual place) and Norvelt is losing its population, fast. All the town's originals are dying! But it can't be a coincidence that they are dying day after day. Could someone be doing this on purpose? But who? Meanwhile Jack has his own troubles that summer...**

**Why did you like this book? It was hilarious, but also mysterious at times. I was always on the edge of my seat.**

**Why should someone read it? If you're the type that likes adventure, comedy and mystery you should definitely read this book. It is so funny and suspenseful!**
