

## **Lost! A Dog Called Bear**

**by Wendy Orr**

**Review by Kirkus Review**

**After Logan's parents separate, he and his mother and Border collie, Bear, head for a new home in the suburbs, but Bear gets lost. Shortly afterward, Hannah's father finds the missing pet in the back of his truck. Hannah is desperate for a pet, but her parents decide to leave the dog at the Rainbow**

**Street Shelter (the name of this new series) to give him his best chance for return to his owners. There Hannah begins volunteering with the animals, recognizing their need for affection. Logan, miserable over leaving his family's farm and his parents' break-up, is devastated by the loss of his beloved dog. As his parents try to track down Bear and Hannah's parents recognize her growing level of responsibility, glimmers of hope appear for both children.**
